The Order of 2012

The **Order of 2012** is a donor recognition society that celebrates Friends and Churches who will partner with the ministry of **World Convention** to build fellowship, understanding and common purpose within the global Stone-Campbell Movement.

Members of the **Order of 2012** are people who value World Convention's day-to-day ministry of connecting everywhere, every day, and the quadrennial conventions known as **Global Gatherings**.

The **Order of 2012** takes its name from the **Eighteenth Global Gathering** of the World Convention to be held in

Goiania, Brazil (pictured above) in the summer of **2012!**

In 80 years of bringing together the Stone-Campbell family this will be our first convention in South America and our first in a Portuguese speaking nation! We are already anticipating that this will be a phenomenal Gathering like no other in the history of World Convention!

Membership

Membership in the **Order of 2012** is composed of those Friends and Churches who prayerfully and financially commit to involvement in the ministry on a consistent basis with a **monthly** gift of **\$20.12**. These gifts between 2009 and 2012 will both under gird the daily ministry and help plan for Goiania in 2012.

Benefits of Membership

Friends and Churches who successfully complete a three-year commitment will enjoy several distinct privileges of membership, including:

- *One free individual registration to the 18th Global Gathering in Goiania, Brazil...*
- *Recognition of membership in World Convention publications and at Brazil 2012...*
- *Priority information on tours, events and other notices for Brazil 2012...*
- *A recognition meal at Brazil 2012, special seating and badges for 2012 members...*
- *and more!*

Additional Benefits

Beyond these benefits Members of the **Order of 2012** will -

- Have the blessing of knowing that their financial partnership makes possible the efforts of connecting people everywhere, every day
- Relate to all members of the global Stone-Campbell family through gathering and channeling news and information
- Strengthen global contacts and links
- Lift up visibility of our global family
- Stimulate thought, discussion and action
- Enable opportunities for world fellowship, which is the nature and function of this ministry.

These efforts are achieved through the ongoing ministry that includes the Global Gatherings, communication, Regional Leadership Conferences, mission trips, lectureships, the Women's Desk initiative and a global network of relationships for service.
